DUAA CHUNDRIGAR
Laravel, Vue.js & Graphics Designer

● About Me

As Developer

I am PHP , Laravel Web developer. I am highly skilled with PHP, Laravel, JavaScript, VueJs, Tailwind CSS, HTML, and CSS.

I am very passionate and dedicated to my work. I enjoy every step to the software development process from discussion and collaboration to concept and execution. More importantly I am most satisfied when I deliver the final product as per users requirements.

As Graphics Designer

I based my entire graphic design career around it! I have worked for a restaurant and franchises to create logos, brochures, menus, product labels and countless other deliverables. I can promise you I know what good food looks like. As someone who has a graphic design background, I can also promise you that I know how to market it.
